

Quote freight in 30 seconds, not 3 hours.

Seed round · \$2M · October 2026

Claire Dubois, CEO · claire.dubois@nimbalo.io · +33 6 39 98 12 34

Fictional company. Every name, number and contact in this deck is invented. Test fixture for Hushdeck.

Brokers lose deals while they quote

3 h

average time to price one
lane by hand

12%

of margin lost to manual
pricing errors

41 %

of quote requests never get
an answer

Source: survey of 212 European brokers run by Nimbalo, June 2026.

One request in, one priced quote out

- Reads the request from email or the broker's TMS
- Prices the lane from live carrier rates
- Sends the quote from the broker's own inbox
- Brokers review, Nimbalo does the typing
